

Subjects	
English CT	Hello. Firstly, thanks for the amazing work you have submitted over the last couple of weeks! In this week's online lesson we're going to carry on with Tess and chapter 13.
English NM	We will have a virtual lesson on Othello Act 1 on Tuesday at 1pm so have your copy of Othello to hand and we'll go through it together.
Maths JMi	Maths Complete assignment 10 trig equations, before you try it you need to have worked through the questions in your textbook Ex10F and Mixed. Also have another go at mymaths trig equations 2. Further Resolving forces Ex5A in textbook and assignment to be completed before we meet on Wed
Maths PW	Single Maths : We are going to be looking at exponential graphs and natural logarithms (e and ln). Further Maths : continued review of Chi-Squared distribution and hypothesis testing, beginning to look at contingency tables.
Chemistry	Continuing with our work on equilibria and a review of organic chemistry, before studying the reactions and uses of the halogenoalkanes.
Physics	We'll have a chat meeting on Thursday 11am. We need to check progress on the worksheet questions and see if we're ready for more and whether we're comfortable with turning forces before we look at the next topic which starts book 2.
Geography	Continuing their work on Detroit but the focus this week is on the racial tensions and inequalities in the area. Some research is needed on the history of the area to explain how it has ended up as it has. Their task sheet will help to focus their study for this and it will be sent Tuesday morning. We will have our regular meeting at 1.30pm on Tuesday afternoon.
History	This week will be working on our reading, notes and questions on the new module, the Renaissance. Some document based work from the previous module needs to be handed in for marking and feedback.
ICT	Unit 3 LA-A MUST be returned by Thursday at the latest. Continuing with Unit 1 LA-A Digital Devices. Another task will be set in class notebook to watch the video and presentation on Ninja (Digital Devices 2), read and make notes from Ninja and the book p2-7, and complete the quiz questions on Ninja. Deadline Monday 11/05. Meeting Tues 11.00.
German	Working on the novel "Der Vorleser", chapters 10-15.
Music	Continuing working on your new unit 339 - Revenue Flow in the Music Industry. Follow closely through the brief (uploaded to assignments) and complete the tasks in order. Your deadlines for each task are on page one of the document. We will have a phone call at 1pm on Friday afternoon.
Business	Complete break-even graph task from the powerpoint presentation. Complete section B of revision questions in chapter 38. Attempt cash flow assignment in excel on Friday. We will discuss cash flow analysis on Wednesday.
Sports Studies	SP - Using Everlearner - also previous tests NEED to be uploaded ASAP! MC: It is time for a test on psychology!
Art	meeting at 1pm to share the work completed so far based on our personal to do list for your personal study
