

Subjects	
English CT	Looking at chapter 15 of Tess and discussing how Hardy's characterisation of Tess is influenced by the narrator.
English NM	Catch up call and online lesson is on Monday at 1pm, like usual. We are continuing with Act 1 of Othello so please have your copy of the play to hand to annotate. Last week we looked at Act 1 Scene 1 -your work on this is due on Monday. This week we will focus on the character Othello.
Maths JMi	Maths Complete and consolidate work trigonometry. The task this week will be on revision and extension of understanding of vectors. Further Continue work on resolving forces including friction and solving problems on inclined planes.
Maths PW	Single Maths : Looking at modelling with exponential function, some trickier log manipulation questions with an extension task on problem solving using logs. Furtehr Maths : We will look at modelling Chi-squared distributions as a discrete distribution (uniform, binomial, poisson)
Chemistry	We will go through the work on Le Chatelier's Principle and your introductory notes and questions on the Halogenoalkanes. We will continue by looking at a numbr of reactions the halogenoalkanes undergo and the reagents and mechanisms involved.
Physics	Mr Instone will contact you directly.
Geography	Pupils are to work through the questions on the 'Changing Places' section of the paper that they will be sent. This is not a test, as such, more a research exercise to get the best possible answer. They can collaborate if they wish too. This is their task for the week and answers need to be sent back to me by the following Tuesday at the latest. We will have our regular meeting on Wednesday, where I will discuss previous work that has been sent back.
History	Mrs Harrington will contact you directly.
ICT	Continue Digital Devices work in class notebook. We will discuss the content and use both the Ninja website and the textbook for this work. Two outstanding sections to complete and one more new section about the function and uses of digital devices to be added this week. Notes, Ninja quiz and worksheets to complete. Meeting Tues 11am as usual. Deadline Mon 18th.
German	We will be working on the novel "Der Vorleser", chapters 15-17, as well as on verb forms in present, imperfect and past participle.
Music	We will be continuing our work on the new unit '339 - Revenue Flow in the Music Industry'. By the end of this week I would like as much research about the Music industry submit and quite a bit of work completed for Task 1. I will be checking in on Monday and having a Tutorial on Friday to talk through the work.
Business	Complete 1st cash flow task ready for Tuesday. We will review the presentation and task on Tuesday. Complete 2nd cash flow task for Friday.
Sports Studies	SP - Everlearner challenges as always! If work has not been set or you do not get the right percentage give it another go! Also I need the next test paper completing! MC Psychology is now complete. A past examination paper and some checkjoint tests are required.
Art	Year 12 to continue with their personal study project. ALL students will be expected to be involved in a show and tell of their work so far this term. In addition to the Personal Study, all students are expected to continue to develop a portfolio of drawings and studies, the first drawing task has been set and further detail of the task can be found on Assignments. this drawing study should take 2hrs of your art time this week and 2hrs next school week, leaving a minimum of 2.5hrs for your personal study (this project should now be at the development of ideas stages). Our timed group chat for the show and tell crit is 1pm Thursday. I am available for 1-2-1 Q&A via chats on Tuesdays session or any other time, if needed.
