You will be completing all of your work in the Teams Assignments area (where you will find more details), but this task should take roughly 40 minutes to complete, there is extension work if you finish too quickly and what to challenge yourself. Your work should be submitted by Thursday 14th May to the Assignments area (as either a photo, video or document) and I will be aim to provide feedback by the time you have your next lesson. There will be one group chat at 1:30pm during your Monday slot to ask any questions about the Drama and Music work. I will be available on chat during your lesson time (Monday 1-3) and also my twilight session (Wednesday 4pm-6pm).
Art	To create an Artist research page based around the artist Rosalind Monks. Think of an exciting pattern that you can decorate the page with which would represent the artists style – eg. Doodle designs. You should research this artist yourselves and find out information about her and find images of her work. You should then write your opinion of her work – do you like/dislike it? Why? You should then complete a response drawing of one piece of her work. This is where you choose one of her artworks and draw your own version of this. This is a bigger task than previous so you have two weeks to complete - this is the second week. It shouldn't take more than 2 hrs to complete but I suggest starting it in lesson time and judge how long you need to finish. Work due on Tuesday 19th May.
