

Subjects	
English CT	This week we are going to be imagining ourselves as either Stanhope, Hardy or Hibbert and responding to a series of questions as our chosen character.
English NM	Our catch up call is on Tuesday morning at 10am, like usual. It would be good if everyone could join the call. Your mood board blogs are due in on Tuesday so we will discuss those and then we'll move on to do a GCSE-inspired Reading task on Journey's End. The task will be in assignments and due on Tuesday 19th May.
ESL	Reading chapter 7 of Dracula, available in the files section, leads to character work. Students may also need to look back at a previous letter. Work should take around 50 minutes. Video or voice call will take place at 10.15am.
Maths JMI	Weekly Skills Check. Continue research for project on different number systems. Short task on factorising.
Maths PW	Continue to look at changing the subject and balancing equations (approx 45 mins). Also weekly skills check (approx 30 mins) to be uploaded to Team by end of Thursday. Work will be available from Wednesday morning and we will be having a group chat (everyone to attend) at 10:30 for approx 30 minutes including interactive presentation. MyMaths is set as normal (approx 20 minutes)
Science Bio	MC, Tutorial will be 1pm on Tuesday, but work will be to continue with stop animation or powerpoints. A checkin of where pupils are up to with their current work is required. This will take a total of 90 minutes including the tutorial. Dr Bee tutorial 1pm to 1.30, review of work so far followed by the introduction of feeding relationships in ecosystems and work set to complete, total time 90 mins
Science Chm	The work on ionic bond diagrams will be returned on Monday, and if you have any questions we have a chat session Tues 1-3pm. This week's work will be released on Tuesday: Plasma guns and ion engines - science fiction or science fact?
Science Phy	Mr Instone will contact you directly.
Geography	New topic - Africa. Pupils are to work through the tasks set which they should be able to do in their allotted 2 hour slot. There is an extension task for those that finish early. Work is due in Wednesday 13th May. We will meet at our agreed weekly time for any questions and to discuss last week's work.
History	Mrs Harrington will contact you directly.
French	Work will continue on Technology. There will be a lesson on Thursday 14th at 11.15am. All the group should attend as it is important that we practise listening and speaking skills. You will need your sentence builder from last week. We will also attempt to play a 'live' game together towards the end of the session. Lesson will last 30-40 mins. There will be written work and an assignment set on either Language Gym or Textivate. All details of work set will be on an Assignment and Class Notebook. Hand in date Tuesday 19th May. 4.00pm
ICT	We are looking at advertising your new chocolate bar this week. You will create 2 adverts, one for a large billboard and one for a bus shelter. You will need to research what kind of information could be on these 2 different types of adverts to make sure you really grab peoples' attention. Preferably adverts should be created on the computer in whatever software you wish (this is ICT after all!) but if not possible they can be drawn by hand - they must be in FULL COLOUR though. Remember this is for Cadbury's so there would definitely be their logo and some purple on there. Think about a snappy slogan for the billboard or a special offer on the bus shelter etc. Take photos or screenprints of the finished results. No meeting this week as it is a straightforward task but I am available 1pm-3pm on chat/audio chat on Monday 11th for any questions, clarifications or problems. Deadline Thurs 14/5.
German	Year 9 will do some reading tasks in the textbook and practice the use of the subordinating conjunctions weil, wenn and obwohl. Our online tutorial is on Thursday, 10am.
Drama	Using feedback from Mrs Jeeves and your own ideas, perform your monologue based on Blood Brothers. Film yourself and send the video. Any technical issues call Mrs Jeeves on Teams chat. Video call will be at 11.15am.
Music	Year 9 will be continuing on from last week on the topic 'Music Explorers - Listening Project' and researching the next two genres. You will be completing all of your work in the Teams Assignments area (where you will find more details), but this task should take roughly 1 hour to complete, you then should use your final 20 minutes of the lesson to complete one of the extension tasks (detailed on page 5 of the document). Your work should be submitted by Monday the 18th May to the Assignments area and I will be providing feedback by the time you have your next lesson. There will be a group chat at 10:15am to make sure you all understand what you have to do and can ask any questions. I will also be available on chat during your lesson time (Friday 10-12) and also my twilight session (Wednesday 4pm-6pm).
Design	Make sure you have submitted your research presentations for the CD project. Continue with initial ideas sheet for you CD package. Remember we are aiming to create a sustainable package and be creative with how it is made.
Art	Drawing practice recap. Create a detailed drawing of your eye. please look at the assignment sheet for further details and hints on how to develop your skills. most of you should be looking at completing all tasks, including the extension task. your expected time is 2hrs for this task. Please continue to contact me for help or feedback via chat on fridays session 1-3pm or Tuesday evening session 4-6.
