

Working from home

By Anya

This home learning is a very different to last time. Last time we only had 3 lessons a day sometimes 4.

This time is way more fun because it is like a normal lesson but from home. I love to be at school, and I cannot wait to get back. All the teachers are making it really fun and giving us brilliant projects. In science every lesson we do a different experiment and we have done explosions and we have made ice cream and lots more. In English we have been doing Shakespeare with Mrs Milner and with Mr Thomas we have been doing creative writing. Music and drama have been so much fun and art is as if we are still at school. Maths is amazing and both of the languages are brilliant. All the lessons have been really fun and I think the teachers have been doing a brilliant . Last lockdown was fun but we had the same lessons nearly every day. I really enjoyed it though especially the art projects .Every week Mrs Richardson would give us a project to do with the book we were reading. I cannot wait to get back to school and to see all my teachers and friends again.
